NARRATIVE

On 10/10/2023, at approximately 1923 hours, I was dispatched to a report of neighbor trouble located at 24745 S Lindsay Rd, Chandler, AZ 85249. MCSO dispatch advised the neighbor next door got aggressive with one of the patients at the location.

I arrived at the above location and was contacted by an employee of the halfway house who advised the Victim, verbally identified as [redacted] was in the rear of the residence. The employee then walked me to the back of the residence where I met with a witness, verbally identified as [redacted] as well.

CONTACT WITH [redacted] AND [redacted]

I contacted the Victim and [redacted] in the rear of the residence as well as two other staff members of the halfway house.

The Victim advised he was at the rear of the residence when he was on the phone with his wife in Tucson. At that time, an unidentified white male approached the Victim from the next-door property to the south, later identified as [redacted] The male called out to the Victim and told him to, "get the fuck off my property." The Victim, standing behind the fence on the 24745 S Lindsay Rd address, was confused as to what the male was taking about. The male again told the Victim to, "get the fuck off my property," which prompted the Victim to ask the male if he was ok. The male turned and began walking toward a garage on the property which frightened the Victim as he believed the male was going for a weapon. The male then turned back toward the Victim and stated, "if you don't get the fuck off my property, I'll get this dog to drag you over this fence to my property and you'll find out." As the male was walking and stating the last phrase, [redacted] exited the residence to hear him say it. [redacted] asked the male what was going on as he was walking deeper into the property.

While speaking to the Victim, [redacted] left the room to tend to another matter. I asked the Victim if he could describe the male to which he advised of the following.

-White male

-Late [redacted] early [redacted]

-Muscular build

-6 feet tall

-Dark hair

-Wearing a T shirt

Moments later, [redacted] entered the room, and I asked if he saw the male to which he advised he did. I asked [redacted] what the male looked like to which he advised of the same description as the Victim did. The Victim advised that the male owns an orange Toyota truck which would help aid in his identification. I asked the Victim if the residence to the rear of the property, [redacted] was the one the male was on to which he advised it was. I asked the Victim if he would be willing to aid in prosecution to which he advised he would. A Victim's rights form was issued to the Victim in person.

With that information, Deputies Mejia (S2297), Brennan (S2280), and I went to the E Vallejo St address. Upon arrival, I noted the property was surrounded by a 6ft tall fence with no point of overt access. See this, I went to the next-door neighbor residence, [redacted] to inquire about the owner of the property. Speaking to the homeowner of the [redacted] address, he advised that the owner of the property was named Dan and was an elderly male. The homeowner then called Dan and asked him to meet with us to which he advised he would.

I asked [redacted] what if there were any younger men living in the rear garage to which he advised there was not. [redacted] stated that the only younger male in the area other than the neighbor at [redacted] address was located at 24745 S Lindsay Rd which was owned by [redacted]. [redacted] being in his mid-[redacted] however, he was advised to have a son that was in his [redacted] Looking on a satellite map of the area, I was able to see there was an orange truck on the property as descried by the Victim.

We then went to the 24745 S Lindsay Rd address to contact [redacted] but due to the block wall and a locked fence, I was unable to contact him in person. Using law enforcement databases, I collected contact information for [redacted] and attempted to contact him via telephone with negative results.

At this time, contact with [redacted] is still needed.

Nothing further.

NARRATIVE

On 10/12/2023, at approximately 2153 hours, while patroling the area, I observed the front gates to [redacted] open. Knowing I needed to conduct followup with the residents of the home, I opened a call for service.

CONTACT WITH ANTHONY CLORE:
I approach the residence and observed several sizeable dog toys scattered about the front lawn in various worn states. I knocked at the door and Anthony exited. I asked Anthony if he knew anything about an incident that occurred between someone on the property and the occupants of the residence next door. Anthony advised there was no incident that occurred and began informing me that he moved to the property 8 years ago to have more privacy. Anthony informed me that had has several large dogs that typically roam the property freely and they will protect the property from strangers. While speaking to Anthony, his wife exited the residence and began expressing her grievances with the occupants of the property where I contacted the Victim. At that time, Anthony began speaking about the incident between him and the Victim. Anthony's wife attempted to stop him to which he continued anyway.

Anthony advised that he was in the backyard putting air in his tires by his garage at the time of the incident. Upon standing up, Anthony observed the Victim leaned over the property lines waist high wall. At that time, Anthony commanded the Victim to stay off his property. Anthony stated the Victim pulled himself back over the wall and leaned up against the wall. Anthony advised the Victim he did not want him near his property and that he had several large dogs on the property. Anthony then walked to his garage and emerged moments later to see [redacted] on his knees, peering just over the wall. Anthony then told [redacted] to stay off his property as well and entered his home.

Anthony expressed his grievances about the halfway home and advised of several instances of him seeing its occupants staring into his open garage where he keeps valuable tools and other items. Anthony stated he just wants to be left alone and advised that he and the other members of the neighborhood dislike having the halfway house in the area. I then informed Anthony that there had been a previous complaint about the volume and time of night that music is being played at the residence. Anthony advised he works an odd schedule and is typically awake at night. Anthony's wife then stated that the previous occupants of the home had no problem with the noise and the current occupants should not be making using the gym equipment during the day. I informed Anthony's wife that the same kind of disturbances go both ways and they would need to be mindful of their neighbors as well. Anthony's wife express discontent and asked if it were my own family in this situation to which I advised her that I must be fair and impartial to everyone regardless of who they are. Anthony's wife began to cry and she ceased speaking with me.

Anthony ultimately advised he did not want anyone on his property and wanted to be left alone as he was before the halfway home was erected.

Due to the conflicting statements, there is no probable cause for the arrest of Anthony.

This is a supplemental report in reference to IR23026194.

Nothing further.
