NARRATIVE

On Friday 3/15/ 2024 at 21:17 hours I was dispatched to 24745 S. Lindsay Rd. Chandler, Arizona regarding a suicidal subject. Brian from the Legacy Recovery Center reported a female patient had cut her wrists. She ran outside into traffic. See CAD report for details.

I arrived at 21:31 hours and found Chandler Police with the patient across the street. They had her handcuffed. She was not cooperative and refused to identify herself.

Chandler Fire E287 treated her for wrist lacerations. The run # was 24114121. She was transported by ambulance to Chandler Regional Hospital 1955 W. Frye Rd. Chandler, Arizona for mental health evaluation.

Staff member Brian Heimle said the patient's name was **Patient Name** with date of birth [redacted]. She was admitted for treatment on 2/28/2024. This evening Madolyn told him she had a razor blade hidden in her room. He tired to have her empty her pockets. She refused and ran into her bedroom. He followed her and she went into the bathroom. She was "Hacking" at her wrists. She ran outside and into vehicular traffic on Lindsay Rd. He tried to keep her from being hit by cars.

Brian said she self-admitted herself and was not going to be allowed to return to the treatment center.

A razor from a pencil sharpener was found in **Patient** hand when she was detained by Chandler Police. They turned it over to me. I impounded it at MCSO District One 1840 S. Lewis Mesa, Arizona 85210.

Nothing further.
