NARRATIVE

On 08/05/2025 at approximately 0002 hours, I spoke to Nathan from 24745 S Lindsay Rd in Chandler (Legacy Recovery) via telephone regarding a Missing Person call for service.

Nathan told me the following:

Patient Name was last seen on 08/04/2025 at approximately 2205 hours in the facility kitchen. When staff conducted a headcount of the patients at approximately 2300 hours, John was not in his room. The staff checked the building and the property, with no results. Nathan contacted Law Enforcement per company policy.

After obtaining a physical description of John, I requested an Attempt To Locate be broadcast by MCSO Dispatch. I also requested a check of local hospitals, jails, and other emergency services.

On 08/05/2025 at approximately 0119 hours, MCSO Dispatch advised me **Patient** was admitted to the hospital at Chandler Regional Medical Center. I immediately called Legacy Recovery to advise **Patient** had been located.

At approximately 0130 hours, Nathan from Legacy Recovery contacted me stating he wasn't sure who was at the hospital because **Patient** had just returned to the facility. I notified my Sergeant and conducted a Welfare Check on **Patient** (MC25123836).

Patient advised he was in good health and never went to the hospital. He stated he wanted to go for a walk because he couldn't sleep.

Legacy Recovery staff elected to take **Patient** to a mental health facility for an elevated level of care due to the incident.

Patient was not entered into NCIC because he was located prior to contacting MCSO OIC.

Nothing further.
