NARRATIVE

Initial Response:

On Thursday, November 20, 2025, at approximately 2143 hours, I, Deputy Wells (#S2298), was dispatched to a call for service regarding an attempted suicide at the Legacy Recovery Center, located at 24745 S Lindsay Rd in Gilbert, AZ.

Dispatch relayed information that staff at the facility reported their client, later identified as Name Name claimed he wanted to kill himself. Prior to my arrival, Name reportedly became paranoid, stating he believed staff members would harm him, and subsequently left the facility running.

At approximately 2154 hours, I arrived at the Legacy Recovery Center.

At 2156 hours, I made contact with staff member and complainant, Anissa Montgomery, who provided me information regarding Name Shortly after contact was made, Name returned to the facility and was escorted inside.

Contact with Name

I contacted Name who was identified as the suicidal subject via agency databases. Kristopher was asked to have a seat in the main living room lobby area.

When asked how he was feeling and why he ran away, Name stated he felt empty, wanted to go for a smoke, and then went for a jog. He then stated that he did not want to live anymore.

Name was asked if he had intentions or plans to end his life. He admitted to having thoughts of ending his life but confirmed he had not made plans on how to do so. When asked why he wanted to end his life, Name attributed it to having withdrawals from drugs and not having seen his family for a long time. He further stated that he needed to go to the hospital to get some help.

At approximately 2158 hours, the fire department was requested to respond for suicidal ideations.

At approximately 2205 hours, the Gilbert Fire Department arrived on scene and began to attend to Name.

At approximately 2216 hours, Name was transported to Mercy Gilbert Hospital by Gilbert Fire Department

Contact with Complainant Anissa Montgomery:

I contacted Anissa Montgomery, a Legacy Recovery Center staff member, who verbally identified herself. Anissa stated that after Name was given his medication for the night, he told staff members he wanted to hurt himself, such as kill himself. Anissa consulted with the facility provider, who advised that Name needed to be transported to the hospital for further evaluation. Transport was arranged.

While waiting, Name reportedly became paranoid and told staff members they were plotting to kill him. He further stated he knew they were waiting for him to fall asleep, went to the kitchen, and drank a large amount of coffee. Anissa attempted to calm Name and told him he would be given a ride to the hospital, remaining with him to keep an eye on him. Anissa took Name outside to smoke, at which point Name suddenly took off running.

Summary:

Based on Name s statement that he wanted to kill himself and needed hospital assistance, he was transported to Mercy Gilbert Hospital for suicidal ideations. The transport was completed by the Gilbert Fire Department with no further incident (Reference Gilbert Fire Department Run # 25-512052).

Legacy Recovery Center staff were provided a report number for the incident.

This report is for informational purposes only.

This is a summary of event that occurred reference body worn camera for further information.

Nothing further.
